

Lesson Planning Checklist

Have I ...

- considered how to structure and sequence activities in order to support a gradual expansion of student understanding and skill development?
- included a balance of individual, small group and whole class activities in the lesson?
- determined how to maximize active participation in the classroom?
- determined how to differentiate instruction and modify or adapt activities depending on student needs, interests and differing rates of acquisition?
- considered which strategies to select in order to motivate students and to provide a link to previous and upcoming learning?
- determined which cooperative learning strategies to select for use in small group or pair activities?
- determined which independent tasks could be assigned as homework?
- decided where and how the lesson plan can be adjusted to accommodate new needs, ideas or information?
